Thank you Chris,

We will be On Site at [Ex. 6 Personal Privacy (PP)] at 9am. We are getting supplies together today, I'm picking up the survey equipment tomorrow morning on my mobe down. Fort Meade is shipping the Summa canisters to my hotel for delivery tomorrow.

Jessica,

Does 8am at the old convenience store work for you? (LP Baily Memorial Highway and Shiloh Church Road) We plan on setting up, staging equipment and Summa canisters prior to being on the Resident's property. Thanks for getting the equipment from the COOP, that saves some coordination!

Thank you,

Good Morning [Nonresponsive based on revised scope]

Please plan on starting work on Wednesday at the resident at 9 am. That is the time I confirmed with her.

I have another commitment in the morning, so I will not arrive until after lunch. Jessica will be overseeing and helping with the work. She has not been to the Site, so please make arrangements directly with her to meet up

Jess, once I arrive, I will probably park somewhere else and have you pick me up. There is very limited space to park in her driveway

Thank you
Chris
